

Description

The oil injection kit contains the oil injector 226400 complete with a high pressure pipe, a pressure gauge, adapter block and a range of connection nipples. Everything is packed in a sturdy plastic case.

A 300 MPa and 400 MPa version is available.

List of contents 729101

Designation	729101 B	729101 E
1 Oil injector	226400	226400/400 MPa
1 Adapter block	226402	226402
1 High pressure pipe (G 3/4-1/4)	227957 A	227957 A/400 MPa
1 Connection nipple (G 1/4-1/8)	1014357 A	-
1 Connection nipple (G 1/4-1/2)	1016402 E	1016402 E
1 Connection nipple (G 1/4-3/4)	228027 E	228027 E
1 Pressure gauge	1077589 (0-300 MPa)	1077589/2 (0-400 MPa)
1 Tool case	729111 B	729111 B

Technical data

Designation	729101 B / 729101 E
Maximum pressure	
729101 B	300 MPa (43,500 psi)
729101 E	400 MPa (58,000 psi)
Volume/stroke	0,23 cm ³ (0.014 in ³)
Oil container	200 cm ³ (12.2 in ³)
Pipe length	2.000 mm (78 in)
Case length	430 mm (16.9 in)
Case width	138 mm (5.4 in)
Case height	340 mm (13.4)
Total weight	10 kg (22 lb)
